Weaves: Omega 1520
Attachment: Flats with Clevis
Architect: MAK Arquitectos
Application: Facades
Location: Algete, Spain
Market Segment: Corporate

DESCRIPTION

For this corporate office in Spain, MAK Arquitectos searched for a way to provide an attractive sunshading option for the building. Cladding the facade in GKD Omega 1520 provided the protection the building's occupants needed as well as a sustainable solution that translates to energy savings.
